A Note From Spc Jacob Caldwell:

“Hello, I'm Spc Caldwell and I
just started my 2nd tour in
Iraq. I participated in OIF 07-08
for 15 months stationed in
South East Baghdad. I'm 21
years old. I enjoy reading,
music, and playing with my
Daughter, Emery. Lastly I just
want to thank everyone here
for all the support that they've
been giving to the soldiers. It's
greatly appreciated.”
